About Us

EduAids has been supplying quality Montessori material to schools in North America for over a decade. These products are manufactured by highly skilled craftsmen, using carefully selected and seasoned timber and coated with lead-free, non-toxic paint, manufacture these products. The boxes and movable alphabets are made of Birch plywood.

Our products are made to the precise and exacting requirements laid down by Maria Montessori. Great emphasis is placed on quality, and a process of continuous monitoring maintains the effectiveness of our products. We are confident that both teachers and children alike will love our material and use it with the same care and pride with which we make it.
